January 2023 Impact!
857 Clinic Patients Served
1 Educational Conference
1 Community Outreach
1 Staff Retreat

A Note From Dr. Tom & Lita

Greetings!

We pray you are well. Like us, we imagine you are feeling the brevity of January. Time is surely moving and it seems to be speeding by even more quickly than usual. Yet, we know the Lord keeps us unshakable because of His sovereign control. We are so grateful... we can do all things because of the strength He gives us.

Since returning to Rwanda after the holidays, we have been privileged to host our first dental conference, community outreach, and staff retreat of 2023. We continue to serve our patients at the clinics, providing much-needed dental services. We have also hired our first executive director. There has already been so much learning, fellowship, joy, and progress! We thank the Lord!

And we thank you! Your faithful support means everything to us. You remain in our hearts and prayers always.

Meet Our 1st Executive Director

In December, HHOA welcomed our very first Executive Director, Keith Gosselin. For the past 25 years, Keith worked as a university professor at CSUN, UCLA, Cal Lutheran, and Mount Saint Mary's. During his tenure, he conducted over 50 pro-bono class projects for nonprofits. Before academia, he spent 10 years building a small manufacturing company and then 6 years creating marketing and eBusiness departments in larger corporations.

At His Hands On Africa, Keith's focus is to increase funding and enhance U.S. operational efficiencies. He is excited about this new challenge and believes it is an honor to serve an organization whose mission is to glorify Jesus. Keith recently shared, "I have marketed many things in my professional career, but nothing compares to helping others discover the Lord and His Word!"

Keith resides in Moorpark, CA and is the proud father of 4 adult children. He is a loyal sports fan, with his favorite teams being the Angels, Lakers, and Rams. Keith is most grateful for his faith and strives daily to live out his favorite verse, "Trust in the Lord with all your heart and lean not on your own understanding" - Proverbs 3:5.

If you have a moment, help us welcome Keith. He would love to meet you! [Email Keith](#)

Keith's Children: Hadley (29), Gehrig (26), Kori (22) & Madeleine (18). The Gosselin family LOVES Christmas time!

1st Dental Conference in 2023

We hosted our first dental conference of 2023 with a special team of dentists joining us from South Korea.

The conference provided a hands-on course for 14 dental surgeons in Rwanda to learn the basics of dental implants. It is crucial that we continually provide additional learning opportunities for our dentists. These trainings introduce complex procedures and ultimately create better oral health care options for the Rwandan citizens.

A BIG THANK YOU to our special guest speaker, Dr. Jes-seok Kang from Yedam Dental Hospital, and our corporate sponsor,

DIO Implant. Their partnership and support has made a huge impact and it has been an incredible experience working together to bless the nation of Rwanda.

And thank you to all our ministry partners that make these opportunities possible through your faithful and generous giving.

1st Community Outreach in 2023

Through our outreach at Gospel Kindergarten and Primary School, HHOA and the team from Korea provided preventive education, dental care, and shared the love of Jesus with the children. We were welcomed by the children's beautiful praise songs and it was truly a joy serving together with our special team from Korea.

Preventative Education

1st Team Retreat in 2023

We held a retreat for our team in Rwanda on Feb 3-5, 2023. We hosted speakers who introduced a short version of the Perspectives Class. Our team is inspired and motivated to continue the 9-lesson course. This year we begin discipleship training with the team and we pray God will transform their hearts to seek His Kingdom first and to trust God, as He takes care of the rest. We are so encouraged as they continue developing servant hearts and demonstrating ownership for the mission of HHOA. We are blessed by them daily.

2022 Year-End and Gala Update

Because of your faithful giving, we surpassed our goal of \$150,000 and raised **\$187,398!** We are beyond grateful to all who gave at the gala or made a year-end donation. We remain strong as we head into 2023! Thank you again!!
